## WHY BEKINS?

Same Price. Better Service.

Bekins is a family owned, internationally acclaimed home appliance & electronics retailer and servicer. Our state-of-the-art showrooms make the appliance selection process fun and educational, and our teams of in-house installation professionals and factory certified service technicians respect you, your home, and make sure the job is done right! The best part? We carry the same brands as the big box stores, at the same price!
